LETTER REGARDING FORMAL DRAWINGS

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the requirement in Notice to File Corrected Application Papers, mailed September 15, 2004, wherein the drawings submitted were deemed unacceptable because "they are not electronically reproducible" and some drawing figures "contain text that is not in English", applicants herewith submit 64 sheets of corrected and/or formal drawings for filing in the subject application.

Regarding the non-English text, the non-English text is in image type drawings and depicts an image to be analyzed. As such, it is submitted that such drawings are permissible. The objection therefore is traversed.

It is respectfully requested that the corrected and/or formal drawings filed herewith be entered in the above-referenced application.

Respectfully submitted,

STAAS & HALSEY LLP
